

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Gwendolyn Renee Reddic,

Plaintiff

V.

Officer Smith, et al.,

Defendants

Case No. 2:23-cv-01224-CDS-NJK

Order Adopting Magistrate Judge's Report and Recommendation and Closing Case

[ECF No. 4]

11 Pro se plaintiff Gwendolyn Reddic seeks to proceed in forma pauperis and brings this
12 action against an array of defendants seeking two million dollars in damages. *See generally*, ECF
13 No. 1. In response to Reddic's failure to provide a basis for subject-matter jurisdiction,
14 Magistrate Judge Nancy Koppe ordered Reddic to show cause as to why this case should not be
15 dismissed for lack of subject-matter jurisdiction. Order, ECF No. 3. Reddic was advised that her
16 failure to respond in writing by September 5, 2023, would result in a recommendation that this
17 action be dismissed. *Id.* Reddic did not respond to the order to show cause and Judge Koppe
18 accordingly issued a recommendation that this case be dismissed without prejudice. R&R, ECF
19 No. 4. Under this district's local rules, the deadline for Reddic to object to the R&R was
20 September 27, 2023. *See* LR IB 3-2(a) (stating that parties wishing to object to the R&R must file
21 objections within fourteen days). As of the date of this order, Reddic has neither objected to the
22 R&R, nor has she requested more time to do so.

[N]o review is required of a magistrate judge's report and recommendation unless objections are filed." *Schmidt v. Johnstone*, 263 F. Supp. 2d 1219, 1226 (D. Ariz. 2003); see also *Thomas v. Arn*, 474 U.S. 140, 150 (1985); *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003). I nonetheless reviewed Judge Koppe's R&R and agree with her findings; the complaint is bereft of

1 any details or allegations that would support this court's exercise of jurisdiction over the matter.
2 Because Reddic fails to meet her jurisdictional burden, this court cannot exercise "judicial
3 [p]ower" over her case. U.S. Const. Art. III, § 2. Thus, I find that the R&R is not clearly
4 erroneous or contrary to law, so I adopt the R&R in its entirety and dismiss the complaint for
5 lack of subject-matter jurisdiction.

6 IT IS THEREFORE ORDERED that Magistrate Judge Koppe's Report and
7 Recommendation [ECF No. 4] is ADOPTED in its entirety. This case is dismissed without
8 prejudice. The Clerk of Court is instructed to enter judgment accordingly and close this case.

9 DATED: October 2, 2023
